The new clothing has arrived, collect from Frank; invoice will be supplied at pick-up.

### Pres Garry

President Garry passed on the unfortunate news that Secretary Kevin Moran has resigned from Rotary.  
An emergency board meeting was held immediately following our normal meeting, an update to members next week.

### Last Week

Guest speaker Paul Loughheed from Rural Access works within the Warrnambool City Council as well as the Moyne & Corangamite Shires. His main role is discussing with businesses and community groups about access for all people. The "One & All" program endeavors to remove barriers for people with a disability so they can access all businesses and attend community events. His interest in this field came from an early age when he did work experience in year 11. Up to 20% of the population suffer from some form of disability, be it physical or otherwise. Our NYE night is an example of a "One & All" event, where access is available to all. Thank you Paul for speaking so passionately about your job and also for giving us a better understanding of circumstances that we probably take for granted.
