#### International:

#### Community:

Neil raised the opportunity for the Club to operate the Milkshake Van at the Terang Trots on Saturday February 11<sup>th</sup>, 5.30pm to 11.00pm. This is one of their biggest meetings of the year; we would require 2 shifts of 3 people. It was agreed that the club would participate, see Neil if you can assist. The opportunity exists to do the same on Tuesday 28<sup>th</sup> February; this is a Relay for Life night at the trots.

The club's participation in this year's Relay for Life event at Terang on March 3<sup>rd</sup> & 4<sup>th</sup> was discussed at length. There was a feeling that the club had left it too late to raise enough money to enter a team this year. Graham volunteered to organize the walkers, but it was decided not to enter a team this year.

#### New Generations:
